CLICK & COLLECT

SIMPLE AND CONVENIENT DELIVERIES!

Shopping behaviour has changed and consumers have embraced online shopping for reasons of convenience and safety.

With e-commerce expanding, delivery management has become a critical issue for retailers. JORDAO's Click & Collect lockers are an opportunity to improve the parcel delivery process, increase consumer satisfaction and safely, conveniently and quickly ensure maximum food freshness.

Reduces delivery time and costs
including transportation and labour

Eliminates unsuccessful deliveries
due to absence or unavailability of the consumer.

Offers 24/7 parcel collection
when it's most convenient.

Reduces the carbon footprint
eliminates the multiple delivery spots.

Ideal for installing wherever convenient

Shopping Centres, Co-working and Co-living Spaces, Parking Lots, Transport Hubs, ...
